

National level e-poster competition in COVID-19 lockdown

Title: *March towards better future with clean environment*

Jointly Organized by
Internal Quality Assurance Cell (IQAC) and P.G. Department of Conservation Biology,
Durgapur Government College
and
Durgapur Wildlife Information & Nature Guide Society (WINGS)

List of participants

Subtheme: Urban Biodiversity

Poster no.	Presenter Name	Poster Title	Organisation/Institution	Co-author names
UB01	Akash Mallick	Cities Have A Large Potential To Operate Innovations And Governance Tools For Sustainable Development	Kazi Nazrul University	-
UB02	Bellam Sindhu	Biodiversity Conservation	J.M.J College For Women, Tenali	-
UB03	Bidisha Das	Urban Biodiversity And The Importance Of Management And Conservation	Bethune College	-
UB04	Chandrani Das	SNCW- A Safe Heaven For Birds, Butterflies And Odonates	Sarojini Naidu College For Women	Soma Aditya Bandyopadhyay
UB05	Debabrata Karmakar	Diversity Of Butterfly In And Around Burdwan University Campus	Burdwan University	-
UB06	Debdutee Bhattacharya	Bit Of Green Amidst The Grey	Brahmananda Keshab Chandra College, WBSU	-
UB07	Chandan Singh Purohit	Rediscovery And Ex-Situ Conservation Of Extinct Plant Pavonia Arabica var. massuriensis from Jodhpur City, Rajasthan	Botanical Survey of India	-
UB08	Kajori Mondal	A Comparative Study For Bolpur And Durgapur, West Bengal To Check The Diversity of Vegetation in and Around Aquatic Bodies	PG Department of Conservation Biology, Durgapur government College	Sanchari Sarkar, Rajib Biswas, Sanghamitra Sanyal
UB09	Dr. Mahuya Mukhopadhyay	Urban Bird Biodiversity: A Case Study	Department of Microbiology, Lady	-

			Brabourne College	
UB10	Manidipa Naskar	Urban Biodiversity: An Insight Into The Terrestrial Vertebrate Diversity of Guwahati, India	Department of Zoology, Bethune College	-
UB11	Mrittika Dasgupta	Buiding Biodiversity In Bangalore Neighbourhood Parks	Department of Zoology, Bethune College	-
UB12	Saurav Dey	Diversity, Threat Assessment And Possible Conservation Strategies Of The Anurans From An Urban Landscape Of Paschim Bardhaman	Durgapur Wildlife Information And Nature Guide Society	Debayan Gayen
UB13	Sayani Dutta	Kolkata-A City With Unique Biodiversity	Department of Zoology, Bethune College	Saptadipa Paul, Sutrishna Ghosal, Sinjini Barman
UB14	Shyamali Dutta	Ethnomedicinal Studies Of Plant Resources In Paschim Bardhaman District	PG Department of Conservation Biology, Durgapur government College	Nazma Khatun
UB15	Snigdha Dhar	Effects Of Construction Sites On The Diversity Of Soil Macro Arthropodsof Durgapur Government College, Paschim Bardhaman, West Bengal	PG Department of Conservation Biology, Durgapur government College	Sanghamitra Sanyal
UB16	Somapika Seal	Taxon And Seasonal Diversity of butterfliesIn Different Habitat At Chittaranjan, Paschim Bardhaman District, West Bengal	Durgapur Wildlife Information And Nature Guide Society	Moitryee Chakraborty
UB17	Sudeshna Mandal	Urban avifaunal Biodiversity In Context Of Udaipur, Rajasthan, India: A Review	Department of Zoology, Bethune College	-
UB18	Surajit Dawn	Santragachi Jheel: A Threatened Urban Lake And Its Diminishing Migratory Bird Population	University of Calcutta	Iptishamun Nesha, Susweta Bera (Vidyasagar University), Prosenjit Dawn
UB19	Swarnali Saha	Short Report On Urban Biodiversity & Its Conservation	Department of Zoology, Rammohan College	-
UB20	Uma Dutta	Diversity Of Avifauna In A-Zone	Department of Zoology, Durgapur Government College	-
UB21	Vivek Gajanan	Conservation Of Some	B.B. Arts, N.B.	-

	Mule	RET Medicinal Plants Of Yuvatmal District	Commerce & B.P. Science College	
UB22	Yuvraj Gurung	An Insight into Ethno-demographic diversity and ABO Blood Group frequency study of major ethnic groups of Darjeeling Hills(Municipality Urban area) in the light of COVID19 (SARS-CoV-2) infection and susceptibility	PG Department of Zoology, Darjeeling Government College	-

Subtheme: Backyard Biodiversity

Poster no.	Presenter Name	Poster Title	Organisation/Institution	Co-author names
BB01	Arnob Chakrovorty	Conservation Approach Using Rooftop-Garden As A Model: An Aim To Promote Citizen Science	iForNature- Nature Club	Banani Bhattacharjee
BB02	Atasi Chatterjee	A Primitive Study On Faunal Backyard biodiversity of Ashoke Avenue, A-Zone,Durgapur,West Bengal	PG Department of Conservation Biology, Durgapur Government College	-
BB03	Ayan Khanra	Human-Elephant Conflict-A Case Study In Human Dominated Landscapes Of South Bengal	Department of Zoology, Midnapore College	Pranabesh Ghosh, Subho Ghosh
BB04	Ayosi Mondal	Integrated Biofloc-Aquaponics System (IBAS): An Innovative Approach For Diversified Backyard Farming	University of Calcutta	Alakesh Pradhan (Central Institute of Fisheries)
BB05	Chandrani Ghosh	Comparative Study Of Occurrence Of Medicinal Plants Of Western Urban Area Of Durgapur	PG Department of Conservation Biology, Durgapur Government College	Sujata Das, Mou Das
BB06	Sumana Saha	Diversity Of Spider Fauna In Backyard Rice Agroecosystem	PG Department of Zoology, Barasat Government College	Ampita Bhadra, Dinendra Raychaudhuri
BB07	Bommireddy Thirupam Reddy	Observations On Backyard Bird Visits On Banyan Tree In Covid 19 Lockdown Period	Central Silk Board	-

BB08	Kriti Dhawan	Backyard Biodiversity: A Step Closer To Conservation Of Nature	Department of Zoology, Rammohan College	Preeti Mukherjee, Soumee Choudhury, Sneha Ghosh
BB09	Madhurima Banerjee	Biodiversity Is The Key So We Can Live In Glee	-	-
BB10	Moinak Mondal	Spiders In My Backyard	Department of Zoology, Durgapur Government College	-
BB11	Piklu Das	Biodiversity In My Backyard - Effect Of Amphan-Cyclone On Biodiversity & Overcome Strategy	North Orissa University	-
BB12	Rahul Roy	Back Caring Future Saving	Durgapur Government College	Ankita Mahanty, Sanjana Sarkar, Twinkle Das
BB13	Rimpa Mahato	Lepidopterans Around Me	Department of Zoology, Durgapur Government College	-
BB14	Sanchari Sarkar	Backyard Diversity: A Small Step Towards Conservation, A Big Leap Towards Sustainability	PG Department of Conservation Biology, Durgapur Government College	Moitreyee Chakraborty
BB15	Sharmistha Maji	A Short Time Assessment Of Butterfly Diversity In A Local Site, Howrah	Department of Zoology, Gurudas College	-
BB16	Sulagna Chatterjee	Lepidopteran diversity in my backyard	Department of Zoology, Durgapur Government College	-
BB17	Sunanda Mandal	March towards better future with clean environment	Bhakta Bala B.Ed. College	-
BB18	Fortune Ahmed	A Primitive Study On Faunal Backyard biodiversity of Mandia, Barpeta, Assam	PG Department of Conservation Biology, Durgapur Government College	-

Subtheme: Pollution

Poster no.	Presenter Name	Poster Title	Organisation/Institution	Co-author names
PO01	Aloke Saha	Best Environmental Practices To Reduce Pollution	Department of Zoology, Krishnanagar Government College	-
PO02	Anindita Das	Find A Solution Else Our Future Will Become An Illusion	Gurudas College	-
PO03	Ankita Samanta	Save Earth Save Life	Lady Brabourne College	-
PO04	Bratati Dutta	Pollution- The Burning Nightmare To Faunal Diversity (Assessment Study)	University of Calcutta	Mandira Ghosh (Lady Brabourne College)
PO05	Dibyendu Rakshit	Anthropogenic Impact on Water Quality and Planktonic Ecology in Indian Sundarban Megadelta: Urgent Need for Sustainable Management	University Of Calcutta	-
PO06	Divya Soni	Be a part of solution not a part of pollution	University Of Calcutta	-
PO07	Niloy Das	Covid-19 Lockdown: A Blessing For Environment	P. R. Thakur Govt. College	-
PO08	Gourab Mondal	Save green: Procrastination Won't Help the Next Generation	Midnapore College	-
PO09	Nagma yasmin	Don't Be Greedy It's Time To Be Greeny	Midnapore College	-
PO10	Pallabi Maity	Effect Of Idol Immersion Activities During Bishwakarma Puja And Kali Puja On Physicochemical Conditions Of Water Bodies Of Durgapur Industrial Area, Durgapur, West Bengal.	PG Department of Conservation Biology, Durgapur Government College	Sanchari sarkar, Tapajit Bhattacharya, Sanghamitra Sanyal, Aloke Mukherjee
PO11	Priyanka Saha	Human - The Creator Of Pollution	Lady Brabourne College	-
PO12	Priyanti Chakraborty	Pollution	Lady Brabourne College	-
PO13	Sharmila Soren	Assessment Of Water Pollution From Selected Water Bodies Of Durgapur Industrial Belt	PG Department of Conservation Biology, Durgapur Government College	Sanchari sarkar, Moitreyee Chakraborty
PO14	Somdev Maity	March Towards Better Future With Clean	Midnapore College	-

		Environment		
PO15	Sourav Mondal	Effect Of Lockdown Amid Covid-19 Pandemic On Air Pollution In India	Department of Chemistry, Durgapur Government College	-
PO16	Sovan Mondal	Transformation In The Climate : Pollution	Kalna College	-
PO17	Srijani Dey	The Tale Of A Panting Earth	Lady Brabourne College	-
PO18	Subhadip Kundu	Artificial Light At Night (ALAN): Darkness Under The Lamp For Avian Population	Department of Zoology, University of Calcutta	Sunandita Bhar, Shrayan Bhattacharjee
PO19	Triparna Chakraborty	Wetland Pollution	Bhairab Ganguly College	-
PO20	Debalina Banerjee	Alveolar malignancy- A major Result of Asbestosis and Silicosis	Acharya Prafulla Chandra College	Subheccha Adhikary
