Free health camp in association with Sub-divisional Hospital, Durgapur

NSS, Durgapur Government College along with Sub-divisional Hospital, Durgapur organized a free health camp on 25.11.2019. It was organized as a part of Golden Jubilee Celebration of our college. Our respected Principal Dr Purushottam Pramanick inaugurated the event with a special speech followed by Dr Tuhin Ghosh, TCS, DGC, where he pointed out the essentiality of organizing such health camps. On behalf of sub-divisional hospital Dr Indrajit Majhi, Smt Anamika Mondal, Pharmacist and Smt Pritha Ruidas, Staff Nurse was present for the health check up. 70 students from Durgapur Government College participated in the event. Blood sugar, blood pressure, blood group, height and weight of students, teachers and non-teaching staff was assessed. About 133 students got their free health check up done along with 7 teachers and 11 non-teaching staff.

Swacch Bharat Pakhwara

One day clean and green mission initiative was taken up by NSS unit I and II of Durgapur Government College along with CRPF, Amarabati Defense Colony, Durgapur on 07.12.2019. It was done to celebrate Swacch Bharat Abhiyan, an initiative taken up by Govt. of India. The event was named as Swacch Bharat Pakhwara and a week long program was carried out by CRPF of which NSS, Durgapur Government College became a part on 07.12.2019. The area in and around Durgapur Government College and Amarabati colony was cleaned. Area was cleared and plastic and other waste materials were collected in bags and disposed properly. About 50 NSS volunteers along with three officials of CRPF and three teachers coordinated the entire event.

Green Picnic Mission

Every year, Durgapur Wildlife and Nature Guide Society (WINGS) along with Divisional Forest Officer and Sub-divisional Magistrate, Durgapur Sub-division and Durgapur Government College organizes a Green Picnic Mission in and around the picnic spots of Durgapur like Durgapur barrage, Nachan Dam etc. This year the event was organized on 25.12.2019, 31.12.2019 and 01.01.2020.

Green Picnic Mission (2019-2020)

NSS Activities , Durgapur Government College (2019-2020)

This initiative is taken to aware the picnic goers about the ill-effects of picnic waste, especially plastic and thermocol plates and glasses and also the noise pollution created from the sound box that are used during picnics. NSS of Durgapur Government College (20 participated each day) participated in this event on 25.12.2019, 31.12.2019 and 01.01.2020 and they distributed eco-friendly plates and glasses to picnic parties and also distributed leaflets.

Awareness for Prevention of Dengue

On 05.03.2020 an awareness program for prevention of Dengue was organized by NSS, Durgapur Government College, along with State Health Department, Govt. of West Bengal. The program was initiated by our respected Principal Dr Purushottam Pramanick who enlightened us on the aspect of Dengue and its preventive measures. Dr Sanjoy Kumar Roy, IQAC Co-ordinator, Durgapur Government College also inspired our students to be more responsible for maintaining health and hygiene not only in campus but also at home. Dr Tuhin Ghosh, TCS, DGC shared his views with the students on the preventive measures and guidelines to be followed. About 50 NSS volunteers and other students participated. Later the volunteers got divided into two groups. One group cleaned the campus and distributed leaflets of preventive protocol of Dengue in college campus among students, teachers and non-teaching staff. Other group visited nearby residential areas and villages of Uttapally and distributed leaflets door to door.
