STRATEGIC PLAN

Durgapur Government College

(Accredited by NAAC with "A" Grade)

J.N. Avenue, Durgapur, District-Paschim Bardhaman, West Bengal, Pin-713214

Affiliated to Kazi Nazrul University, Asansol

Website: <https://www.durgapurgovtcollege.ac.in/>

E-mail: dpggovtcollege@gmail.com

LONG TERM GOALS (LTG)

LTG 1. To create teaching excellence by optimal use of resources

LTG 2. To make use of ICT enabled technologies for skill enhancement and self learning for students

LTG 3. To facilitate students to pursue higher studies in premier institutes and research organizations

LTG 4. To collaborate with several International and National Institutions for the exchange of knowledge and research

LTG 5. To have all Faculty with PhD qualification

LTG 6. To introduce new research programmes offering Ph.D. Degrees

LTG 7. To provide modern infrastructural facility for students and faculty members

LTG 8. To provide all sorts of support services and campus facilities to all stakeholders

LTG 9. To emerge as a premier centre of teaching and learning process and promote inclusive education irrespective of caste, creed, gender and economical or social background with focus on the holistic development of students

Durgapur Government College

(Accredited by NAAC with "A" Grade)

J.N. Avenue, Durgapur, District-Paschim Bardhaman, West Bengal, Pin-713214

E-mail: dpggovtcollege@gmail.com

SHORT TERM GOALS

STG 1. To obtain the institutional accreditation by periodic review and assessment

- Regular submission of the Annual Quality Assurance Report (AQAR)
- Regular meetings of the Internal Quality Assurance Cell (IQAC)
- Effective Implementation of the Quality Assurance strategies of IQAC such as feedback analysis, action taken report, organization of events in collaboration with different departments, reforms in the teaching, learning and evaluation process

STG 2. Strengthening the student-centric teaching and learning process

- Adopting conventional and non-conventional methods of assessing the learning levels of students and address accordingly
- Flipped Classrooms, Role Play, Use of Quizzes, Models, Animations for teaching
- Presentation by students in student seminars
- Use of Learning Management System (LMS) MOODLE for group discussions, E-content uploading and assessments
- Implementation of E-content portal for access to open educational resources
- Effective Mentoring system to individually address the problems faced by the students
- Upgradation of the central and seminar libraries

STG 3. Implementation of the teaching-learning process through practical training and experiential learning mechanism

- Educational tours to enhance practical learning experiences
- Field visits
- Designing of open-ended experiments and projects
- Visits to research laboratories to facilitate expert interaction and exposure of students towards instrumentation

STG 4. Conducting events to promote the creativity, subject knowledge, research fundamental based and interactive learning mechanism

- Conducting events on recent trends and developments across various domains
- Conducting events on research methodology and intellectual property rights
- Conducting special lectures, seminars, conferences, workshops

Durgapur Government College

(Accredited by NAAC with "A" Grade)

J.N. Avenue, Durgapur, District-Paschim Bardhaman, West Bengal, Pin-713214

Affiliated to Kazi Nazrul University, Asansol

Website: <https://www.durgapurgovtcollege.ac.in/>

E-mail: dpggovtcollege@gmail.com

STG 5. Improvement in the research output

- Applying to the university for approval to offer PhD programmes
- Providing space and equipment facilities for research activities
- Providing all sorts of administrative support to conduct research activities
- Providing computational facilities for research activities
- Strengthening the campus internet facilities
- Upgradation of the central and seminar libraries
- Encouraging faculty members to apply for research projects

STG 6. Enhancing collaboration with other institutes and industries

- Promoting research collaborations in terms of joint publications, research projects, PhD Guidance etc
- Promoting collaborative student exchange and faculty exchange programmes
- Promoting collaborative internships

STG 7. Strengthening the support services and campus facilities

- Providing the proper platforms such as Internal Complaints Committee, grievance Redressal Cell to students to convey their grievances and problems faced in the institution
- Effective mechanism for verification and processing of scholarship applications
- Effective implementation of welfare schemes for the teaching and non-teaching staff
- Actively working anti ragging committee and anti ragging squad for implementation of zero tolerance policy for ragging
- Psychological counselling and effective mentoring to address the student issues
- Organizing events to familiarize the stakeholders with health and hygiene issues
- Providing ample space and equipment for sports and cultural activities

STG 8. Career Counselling of students for promotion to higher studies and job opportunities

- Organization of department specific career counselling sessions for students to make them aware of the higher studies and job opportunities
- Organization of campus interviews for job aspiring students

Durgapur Government College

E-mail: dpggovtcollege@gmail.com

STG 9. Implementation of E-Governance

- Use of online portals for admission
- Use of online portals for data storage
- Use of online portal for receiving feedback from the stakeholders
- Use of online portal for all service related matters
- Use of online portal for scholarship application and processing
- Use of online portal for all finance and accounts related activities
- Receiving grievances and problems faced by students through online mode to facilitate redressal without delay

STG 10. Holistic development of students through active participation in NCC, NSS, sports and cultural activities

- Providing facilities of playground, gymnasium and sports items to students
- Organizing cultural activities
- Providing necessary support and guidance to students to participate in sports and cultural competitions
- Providing necessary support and guidance to students to participate in NCC activities
- Providing necessary support and guidance to students to participate in NSS activities

GOALS ASSOCIATED WITH THE STRATEGIC PLAN	STATUS OF DEPLOYMENT OF THE GOALS ASSOCIATED WITH THE STRATEGIC PLAN IN ACADEMIC SESSION 2021-22
STG 1. To obtain the institutional accreditation by periodic review and assessment	
Regular submission of the Annual Quality Assurance Report (AQAR)	AQAR of the previous academic session 2020-21 was submitted within the prescribed time frame and accepted by NAAC.
Regular meetings of the Internal Quality Assurance Cell (IQAC)	<p>Total Five IQAC meetings were held during the academic session 2021-22 and important issues as follows were discussed and resolved regarding:</p> <ol style="list-style-type: none"> 1. Plan of action for organizing a NAAC sponsored workshop on the use of ICT enabled tools for Teaching, Learning and Evaluation in Higher Education Institutions 2. Preparation and submission of AQAR (2020-21) 3. Discussion about the issues related to the promotion of faculty members under the career advancement scheme 4. Mechanism for Collection and analysis of the feedback from the stakeholders 5. MOODLE Classroom demonstration 6. Review and strategies to improve the quality of teaching learning process 7. Necessary steps to give special emphasis on collaborative activities in the field of research 8. Necessary steps to prepare e-contents and upload the same in the college website to make available the open educational resources for students 9. Collection of mentor mentee data and implementation of effective mentoring system
Effective Implementation of the Quality Assurance strategies of IQAC such as feedback analysis, action taken report, organization of events in collaboration with different departments, reforms in the teaching, learning and evaluation process	<ol style="list-style-type: none"> 1. Feedback on the curricular aspects was collected from students, faculty members, employers and alumni. 2. Feedback received from students, faculty members and alumni was analyzed by the IQAC, uploaded in the college website and communicated to the affiliating university. 3. Feedback from the employers on curricular aspects was collected and analyzed by the Career Counselling and Placement Cell and submitted to the IQAC, which was subsequently uploaded to college website and communicated to the affiliating university 4. Action taken report uploaded in the college website 5. Total 18 collaborations for research activities, student exchange, faculty exchange, internships etc were set up for the academic session 2021-22 6. Use of ICT enabled tools for teaching and learning process, a robust internal assessment mechanism and multiple modes of internal assessment processes were adopted to assess the learning levels and attainment of the learning outcomes.

Durgapur Government College

Website: <https://www.durgapurgovtcollege.ac.in/>

E-mail: dpggovtcollege@gmail.com

STG 2. Strengthening the student-centric teaching and learning process

Adopting conventional and non-conventional methods of assessing the learning levels of students and address accordingly	<p>Multiple ways adopted to assess learning levels: (1) written and oral tests, (2) projects, short dissertations (3) Power point presentations (4) formal and informal feedback taken by departments on teaching learning processes, (5) obtaining background information about the student and family to understand whether any economic, cultural, physical health and, emotional issues are directly or indirectly impacting her/his academic performance (6) Mentor-Mentee interaction (7) Learning Goal Rubric (8) Interactive Programs (9) Parent-Teacher Meetings</p> <p>Multiple activities conducted for slow learners (1) Tutorials (2) Extra lectures (3) Remedial and make up classes (4) Special notes and self learning materials (5) Mock examinations (6) Counselling by mentors (7) Problem solving classes</p> <p>Multiple activities conducted for advanced learners (1) Quiz Competitions and brain storming sessions (2) Group discussions (3) Guidance by mentors (4) Advanced reference materials (5) Mock examinations (6) Use of advanced software</p>
Flipped Classrooms, Role Play, Use of Quizzes, Models, Animations for teaching	Departments use animations to demonstrate topics, quizzes are asked while teaching, quiz competitions are also organized, software to improve the soft skills and sometimes students are told to play the role of teacher to assess their <i>subject understanding, communication and presentation skills</i>
Presentation by students in student seminars	Student seminars were organized by different departments during academic session 2021-22 and report enclosed in metric 2.2.1
Use of Learning Management System (LMS) MOODLE for group discussions, E-content uploading and assessments	MOODLE used to upload courses prepared by faculty members. Students can log in to the courses are download E-content, they can also submit assignments and also group discussions were held using the LMS
Implementation of E-content portal for access to open educational resources	E-content portal was launched during the academic session with the link to the college website. Students can download E-content prepared by faculty members. Also, the same is accessible to students of all colleges and universities
Effective Mentoring system to individually address the problems faced by the students	All students have been assigned mentors who always sincerely address the issues of the respective mentees, encourage them to participate in events, also address their problems in addition to their academic issues. the mentor-mentee list is communicated by departments to the IQAC, which is reviewed by the IQAC from time to time in each academic session.
Upgradation of the central and seminar libraries	The institution applied for book grant of Rs. 5,00,000/- to the State Government, which has received administrative approval, and the financial accord is yet to be approved. Also the library is partially digitized and efforts are being made to upgrade the same.
