SWAYAM-NPTEL Local Chapter
Durgapur Government College

ABOUT THE TRAINING PROGRAMME

NPTEL has been offering self-study courses across engineering, humanities and science streams for more than a decade. These are available at: <http://nptel.ac.in>. From March 2014 NPTEL has been offering online certification for its courses, the highlight being the certification exam through which the student gets an opportunity to earn a certificate from the IITs!

To take this initiative forward and to encourage more students across colleges to participate in this initiative, SWAYAM-NPTEL chapter have been set up in colleges by NPTEL which will be under the headship of a faculty member of the college, who would be our Single Point of Contact (SPOC). Durgapur Government College has been recently recognized as SWAYAM-NPTEL local chapter in 2024 and this training programme by the SPOC, Durgapur Government College is to update the faculty members on different NPTEL initiatives for dissemination among the students. This faculty training programme will enable faculty members to clarify the doubts of students they may have in connection with the participation in online courses under SWAYAM-NPTEL platform.
