Abstract

In our everyday life we use lot of words derived from Sanskrit. In respect of Bengali and other NIA (New Indo-Aryan) languages most of the words owe to the very ancient language-Sanskrit. Therefore, there lies an immense influence of Sanskrit on our day to day life in order to express our thoughts. It has got huge importance and significance in our daily life.

In this regard, this special lecture intends to discuss the matter in the light of Indian tradition and culture.
