

SNIGDHA SEN

Contact: 9476324344

Qualification: M.Sc and M.Phil in Chemistry

Designation: State Aided College Teacher-SACT-II

Teaching Experience (in years): UG: 14 years

Date of Joining Present Institution: 01/08/2006

Courses taught

	B.Sc. Program
Semester-I	Basics in Organic and Inorganic Chemistry (Core)
Semester-II	Elementary Physical Chemistry & Organic Chemistry (Core)
Semester-III	Physical Chemistry & Inorganic Chemistry (Core) Industrial Chemistry (SEC)
Semester-IV	Inorganic Chemistry & Organic Chemistry (Core) Chemistry of Cosmetics & Perfumes (SEC)
Semester-V	Applied Chemistry
Semester-VI	Chemistry of Biomolecules & Chemotherapy

Online Mode of Teaching :

During the COVID -19 Pandemic situation, I have used the WhatsApp to group communicate with students. This online platform is accessible by every student at any time, allowing for easier communication and exchange of materials. Students are used to communicate with this media, and are familiar with the idea of sharing messages via screenshot or forwarding media under my guidance. I use to teach all of my students with Video calling through this App.
