DBT STAR COLLEGE SCHEME

The DBT STAR COLLEGE SCHEME is a scheme of Department of Biotechnology (DBT), Government of India, to support institutions offering undergraduate education across the country. Durgapur Government College received the prestigious DBT STAR COLLEGE SCHEME grant in September 2022 for six science departments, namely, Botany, Chemistry, Geology, Mathematics, Physics and Zoology. The scheme will involve workshops, hands on training, new experiments, seminars, invited lectures, faculty development programmes, visits to research laboratories, industrial training, outreach activities and several other innovative initiatives to promote the undergraduate science teaching through practical learning and student-centric methodologies.

OBJECTIVES OF THE RESEARCH LABORATORY VISIT

Research Laboratory visits under the DBT STAR COLLEGE SCHEME are intended to promote the concept of experiential learning. Undergraduate students get the opportunity to visit research laboratories of the institutes of national eminence and also experience the basic principles and applications of advanced equipment and research facilities available therein. The visits also ensure interaction of students with eminent professors and academicians.

DBT STAR COLLEGE SCHEME

Research Laboratory Visit to
AICTE IDEA Lab, Dr. B. C. Roy Engineering College, Durgapur
Ranked 1 among all AICTE IDEA Labs of India in 2023

August 17, 2024, from 12 noon onwards

The AICTE IDEA Lab of Dr. B. C. Roy Engineering College scored the performance point of 6530 and secured rank 1 as evaluated by the AICTE for the tenure April 2022 to March 2023, and was ahead of the college securing rank 2 by more than 1500 points. The primary objective of this lab is skill enhancement of the students, faculty members and staff of the institution and also of the neighbouring institutions.
