### **B. A. Three Year, Six Semester Bachelor Degree Programme with Honours and Regular Programme curriculum**

### **Under KAZI NAZURAL UNIVERSITY**

From the Academic Session 2016-17, CBCS was introduced by the Kazi Nazrul University, to which is our institution is affiliated at present. The first batch of student under the newly introduced semester system is, therefore, supposed to complete graduation in the year 2019. It thus appears difficult to measure programme specific outcomes on definite terms. Besides, the University itself is yet to provide concrete details of outcomes to its affiliated Colleges. However, our esteemed teachers of the Department of Political Science have explored rigorously the current syllabus and tried to chalk out some specific outcomes of B.A. three year, six semesters Programme of their own. Such expected Outcomes may be listed as follows –

### **Program outcomes –**

1. The CBCS aims at diminishing the discrimination between honours and Regular Program courses of study. Under the CBCS, the graduating batch of students, both HONOURS and PROGRAM would be eligible for pursuing Postgraduate Courses of studies.
2. Every Academic Programme under the CBCS will take care to make the students familiar with the existing trends in Research Methodology, and there are some provisions to test in the form of preparation of Dissertation / Assignment /Term Paper to instill some primary concepts of academic research among the undergraduate students.
3. The CBCS is expected to cater contemporary and up to date knowledge to the students.

## Program specific outcomes-

The current syllabus is well chosen of the topics from the whole corpus of Political Science to represent different events from different angles. They are not only meant to make the students familiar with the dominant events of different trends, but also to open out new perspectives, the student may acquire a knowledge of the changing nature of politics of the changing times.
