Preface:

Ragging is a disturbing reality in the higher education institutes of our country. Despite several measures taken by the court, UGC and other concerned authorities over the years, it continues to persist in various forms. There are several instances where ragging has claimed innocent lives. To ensure a ragging free campus and endorse zero tolerance to ragging, Durgapur Government College has formulated an Anti-Ragging Policy based on the UGC Regulations on Curbing the Menace of Ragging in Higher Educational Institutions, 2009. It aims at promoting a safe and healthy academic ambience on and off campus. The policy document will serve as a guide to the stakeholders of the institution in their mission to ensure a ragging free campus.

Introduction:

The College has framed a coherent and an effective anti-ragging policy based on the 'UGC Regulation on Curbing the Menace of Ragging in Higher Educational Institutions, 2009'. The UGC Regulations have been framed in view of the directions issued by the Honourable Supreme Court of India to prevent and prohibit ragging in all Indian Educational Institutions and Colleges. The Anti-Ragging Committee Policy touches upon the functionality, procedure, principles, scope, ways, implementation and means of upholding the objectives set by the cell, for the college.

Defining Ragging:

Ragging constitutes one or more of the following acts:

- Any conduct by any student or students whether verbal or written or by an act which has the effect of teasing, verbal/physical rudeness, impolite and/or indecent gesture towards any student;
- Indulging in rowdy or undisciplined activities by any student or students which causes or is likely to cause annoyance, hardship, physical, psychological or emotional trauma/harm or to raise fear, anxiety or apprehension of danger thereof in any other student;
